

HA MIDDLE SCHOOL- November 2025

Attitude is a little thing that makes a big difference

From the Head of Middle School:

As we set our clocks back this month (November 2nd), the daylight will be shorter; however, our activities increase as we enter the holiday season.

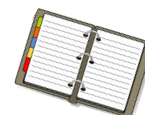

The HA community annually has some outreach events during this time as well. The ARK Cake Sale will be on Friday, November 14th, during morning drop off. A cash (or check) donation of \$15-\$20 per cake will be appreciated. The following week will be the Wiregrass Food Bank Can Drive. Students can drop canned food items off at the glassbox area by the Commons.

I would like to thank the PTO and all of the parents who helped with the MS Halloween parties. The students appreciated all of the treats (and no tricks) during advisory. Also, I want to express my gratitude to all of the MS faculty and staff for everything they do. The middle school years are filled with a number of challenges, and our teachers help support the students as they face them.

At the end of this month, we will celebrate Thanksgiving. I know some of you will be traveling to be with friends and family, and I want to wish you safe travels.

Have a Happy Thanksgiving! I am incredibly thankful for all of my HA community.
